Annual General Meeting
and Award Ceremony

Annual General Meeting & Awards Ceremony

This semi-formal, intimate evening celebrates the remarkable achievements of the Sudbury East business community. Hosted every other year at the charming Backstreet Art Gallery in Noëlville, the event provides a unique opportunity to honor local success in a warm and elegant setting.

During this event we discuss the Chambers past year's accomplishments, exciting plans for the future and elect new board members and executives. An excellent chance for members and nonmembers to build connections and enhance their business. We take the opportunity to honor local excellence through five award categories:

Best Customer Experience, Community Impact Award. Entrepreneur of the Year, Family-Owned Business of the Year, and the Local Legend Award

The Audience based on past AGMs:

Our past AGMs have attracted a diverse group of attendees, primarily local business owners and employees. Notably 53% of the attendees represented non-member businesses, highlighting strong community interest beyond our membership base.

The 2024 AGM showcased a fairly balanced representation across industries including construction, municipal services, agriculture, and the restaurant sector.

Attendance for the Annual General Meeting (AGM) & Awards Ceremony is typically smaller compared to the Gala and Business Awards, (these events alternate annually.) The 2024 AGM and Awards Ceremony saw a notable increase in attendance, with 35 participants – an improvement from previous AGMs, reflecting growing engagement and interest in the event.
